CHARLES TOWN CHURCH OF CHRIST GOSPEL MEETING

Authentic Gospel How You Can Tell God's Good NEWS

Instead of merely telling us the gospel, Marvin will be equipping us to tell the gospel to others. The focus will not be on a method, but on the message. Particularly, we will explore the good NEWS that was told to non-Christians in Acts. If you know people who are not familiar with the gospel or people who have not embraced it, the messages will be appropriate for them as well. But the primary focus will be on equipping us to tell the good NEWS to others from this day forward.
